

## LINKOUF02 DOUBLE DOOR DISPLAY FREEZER

LINKO Commercial Display Freezer - Inverter Series combines dependable frozen storage, clear product presentation and reliable daily operation. Inverter compressor technology helps reduce power consumption, while R290 refrigerant supports a lower environmental impact and quieter performance.

## FEATURES

01

### INVERTER ENERGY SAVING

Inverter compressor technology helps reduce power consumption and operating cost.

02

### R290 REFRIGERANT

Environment-conscious refrigerant supports lower condenser heat and quieter operation.

03

### HEATED TEMPERED GLASS

Heated glass helps reduce condensation and keeps the display clear.

04

### BRIGHT LED LIGHTING

Integrated LED lighting provides a clean, bright view of displayed products.

BRIGHT. EFFICIENT. RELIABLE.
