

LINKOUF01 SINGLE DOOR DISPLAY FREEZER

LINKO Commercial Display Freezer - Inverter Series combines dependable frozen storage, clear product presentation and reliable daily operation. Inverter compressor technology helps reduce power consumption, while R290 refrigerant supports a lower environmental impact and quieter performance.

FEATURES

01

INVERTER ENERGY SAVING

Inverter compressor technology helps reduce power consumption and operating cost.

02

R290 REFRIGERANT

Environment-conscious refrigerant supports lower condenser heat and quieter operation.

03

HEATED TEMPERED GLASS

Heated glass helps reduce condensation and keeps the display clear.

04

BRIGHT LED LIGHTING

Integrated LED lighting provides a clean, bright view of displayed products.

BRIGHT. EFFICIENT. RELIABLE.
